

As you know, the Town of Westport, Village of Waunakee, City of Middleton, and the Town of Springfield are working with Capital Area Regional Planning Commission to plan for the next 25 years of urban service area development. We want to know where and how our communities should grow and where we should preserve our communities and the surrounding landscapes. This is Future Urban Development Area (FUDA) planning.

The Waunakee and Westport North Mendota FUDA scenario planning meeting will be held at the Waunakee High School Music Room on Tuesday, Oct. 25 from 7:00-9:00 p.m.

PLEASE come join us!!!

Community members will record and map their ideas for where and how the North Mendota region should grow in the next 25 years. These ideas will be developed into different scenarios for future growth and compared based on their costs and benefits. After all the scenarios are developed, community members will be able to vote on their preferred scenarios and the preferred scenario(s) will be incorporated into local plans.

Our communities just completed several meetings where residents took a visual survey on the kinds of development they want to see in future urban areas. If you missed the first round of meetings but want to take the Visual Preference Survey, you can still take it online:

http://www.surveymonkey.com/s/north_mendota_fuda

Thank you and hope to see you Tuesday evening at Waunakee High School!!! PLEASE SHARE THIS WITH YOUR GROUPS OR THOSE YOU FEEL WILL WANT TO OR SHOULD COME. The more information and participation we get the better!
