

NOTICE OF PUBLIC HEARING
RECODIFICATION OF TOWN ZONING ORDINANCE
(Farmland Preservation Tax Credit Certification)

PLEASE TAKE NOTICE that on September 17, 2018, at 7:00 P.M., the Town Board of the Town of Westport will hold a public hearing, consider and take action upon a recodification of the Town of Westport Zoning Ordinance, Chapter 10-9, Westport Town Code.

The recodification includes numerous revisions and changes necessary to make it possible for the zoning ordinance to be certified under the Wisconsin Farmland Preservation Program. Certification under that program allows farmers in the Town and subject to the ordinance to continue to receive tax credits in exchange for keeping their land in farming. Note that the Town Zoning Code only applies in those small areas of the Town not subject to Extra-Territorial Zoning by Waunakee and Middleton.

A copy of the recodified zoning ordinance is available for inspection at the Town of Westport Kennedy Administration Building, 5387 Mary Lake Road, Westport, Wisconsin. The recodified ordinance will also be posted on the Town website at www.townofwestport.org.

The Kennedy Administration Building is accessible to persons with disabilities. People who request additional accommodations should contact the Town at 608-849-4372.
