

TOWN OF WESTPORT
Kennedy Administration Building
Community Meeting Room
5387 Mary Lake Road
Waunakee, WI 53597

MINUTES – November 2, 2016 at 5:45PM

Present: Dave O'Malley, Mark Trotter, Julie Trotter, Michelle Wing, Sheldon Schall,
Terry Enge

Absent: Mick Holm

Public attendance: Dean Grosskaupf, Barry Buckwalter

October minutes approved: M. Trotter, 2nd Schall

Barry spoke to the group as the new maintenance foreman for the Town of Westport. Spoke about the up coming snowfall and plowing and treating the roads for ice. He is in the process of writing a grant for replacing salt and sand with liquids for winter deicing the roads. The committee spoke with him about the maintenance draft in the new CORP and his comments. We also expressed to him of more rip rap on the oxbow portion of the 6 mile creek at the Carriage Ridge bridge. Also there is rip rap rock on the DNR land for use.

Enge mentioned a meeting he had with Tom Wilson and Dave Rowe from DNR on the possibility of removing undergrowth at the creek on the DNR land. Rowe shared that the DNR land is quite different from a state park like Gov. Nelson where undergrowth is removed. The DNR land is not considered a park and categorized as wilderness and do not wish for undergrowth to be removed. Dave Rowe said go ahead with laying down boulder and gravel in the 70 feet of wet area that we looked at on the DNR land after the meeting. Barry will hopefully have time after the freeze and before much snow to look at those projects.

Barry also mentioned that new sign age went in at the Jackson Landing shelter off the Willow's parking area.

Meeting adjourned 6:50 motion O'Malley, 2nd Trotter
