

*2022 Town of Westport Road Improvements  
Borchers Beach Road, Wakanda Drive, Simon Trail, Trantin Court,  
and Mary Lake Road*

*Weekly Update for the week of June 27th*

The contractor has removed the existing asphalt pavement on Simon Trail, Wakanda Drive, and Borchers Beach Road (from the north up to Wakanda Drive). They are also rebuilding the road base on Simon Trail, and will move to the north end of Borchers Beach Road and begin working southward. They will remove the remaining existing asphalt pavement from the remaining roadways as the work progresses.

The roadway will remain open to vehicular travel throughout the project. However, vehicles may encounter lane restrictions and possible brief delays during the construction. The Contractor will make every effort to provide access to private driveways for residential driveways during the project and at the end of each day. However, there may be short periods of time when vehicle access to your property may not be possible. For the safety of the workers, we ask that you please be aware of the construction equipment and workers and limit the use of the road during construction hours from 7am – 7pm. We suggest that residents relocate any needed vehicles to the outside of the construction area. Please check with the construction staff to see the daily construction limits.

The Mailbox Stations for Borchers Beach Road, Trantin Court/Drive, Wakanda Drive, and Simon Trail are now active and will remain in-use until the final asphalt surface has been placed. Please watch for additional information to be posted on the mailbox station and in the weekly updates.

Please contact other delivery carriers (Amazon, UPS, etc.) directly to arrange an alternate delivery location.

We do not anticipate any disruption of weekly refuse pick-up. Please put your trash and recycle receptacles out at the edge of the road and the contractors will assist with pick-up.

If you would like email updates, please provide send an email address to [bnatera@townofwestport.org](mailto:bnatera@townofwestport.org)
